

§ 62-146. Rates and service of motor common carriers of property.

(a) It shall be the duty of every common carrier of household goods by motor vehicle to provide safe and adequate service, equipment, and facilities for transportation in intrastate commerce and to establish, observe and enforce just and reasonable regulations and practices relating thereto, and, in the case of household goods carriers, relating to the manner and method of presenting, marking, packing and delivering property for transportation in intrastate commerce.

(b) Except under special conditions and for good cause shown, a common carrier by motor vehicle authorized to transport general commodities over regular routes shall establish reasonable through routes and joint rates, charges, and classifications with other such common carriers by motor vehicle; and such common carrier may establish, with the prior approval of the Commission, such routes, joint rates, charges and classifications with any irregular route common carrier by motor vehicle, or any common carrier by rail, express, or water.

(c) Repealed by Session Laws 1985, c. 676, s. 15.

(d) In case of joint rates between common carriers of property, it shall be the duty of the carriers parties thereto to establish just and reasonable regulations and practices in connection therewith, and just, reasonable, and equitable divisions thereof as between the carriers participating therein, which shall not unduly prefer or prejudice any of such participating carriers. Upon investigation and for good cause, the Commission may, in its discretion, prohibit the establishment of joint rates or service.

(e) Any person may make complaint in writing to the Commission that any rate, classification, rule, regulations, or practice in effect or proposed to be put into effect, is or will be in violation of this Article. Whenever, after hearing, upon complaint or in an investigation or its own initiative, the Commission shall be of the opinion that any individual or joint rate demanded, charged, or collected by any common carrier or carriers by motor vehicle, or by any such common carrier or carriers in conjunction with any other common carrier or carriers, for transportation of household goods in intrastate commerce, or any classification, rule, regulation, or practice whatsoever of such carrier or carriers affecting such rate or the value of the service thereunder, is or will be unjust or unreasonable or unjustly discriminatory or unduly preferential or unduly prejudicial, it shall determine and prescribe the lawful rate or the minimum or maximum, or the minimum and maximum rate thereafter to be observed, or the lawful classification, rule, regulation, or practice thereafter to be made effective.

(f) Whenever, after hearing upon complaint or upon its own initiative, the Commission is of the opinion that the divisions of joint rates applicable to the transportation of household goods in intrastate commerce between a common carrier by motor vehicle and another carrier are or will be unjust, unreasonable, inequitable, or unduly preferential or prejudicial as between the carriers parties thereto (whether agreed upon by such carriers or otherwise established), the Commission shall by order prescribe the just, reasonable, and equitable division thereof to be received by the several carriers; and in cases where the joint rate or charge was established pursuant to a finding or order of the Commission and the divisions thereof are found by it to have been unjust, unreasonable, or inequitable or unduly preferential or prejudicial, the Commission may also by order determine what would have been the just, reasonable, and equitable divisions thereof to be received by the several carriers and require adjustment to be made in accordance therewith. The order of the Commission may require the adjustment of divisions between the carriers in accordance with the order from the date of filing the complaint or entry of order of investigation or such other dates subsequent thereto as the Commission finds justified, and in the case of joint rates prescribed by the Commission, the order as to divisions may be made effective as a part of the original order.

(g) In any proceeding to determine the justness or reasonableness of any rate of any common carrier of household goods by motor vehicle, there shall not be taken into consideration or allowed as evidence any elements of value of the property of such carrier, good will, earning power, or the certificate under which such carrier is operating, and such rates shall be fixed and approved, subject to the provisions of subsection (h) hereof, on the basis of the operating ratios of such carriers, being the ratio of their operating expenses to their operating revenues, at a ratio to be determined by the Commission; and in applying for and receiving a certificate under this Chapter any such carrier shall be deemed to have agreed to the provisions of this paragraph, on its own behalf and on behalf of every transferee of such certificate or of any part thereof.

(h) In the exercise of its power to prescribe just and reasonable rates and charges for the transportation of household goods in intrastate commerce by common carriers by motor vehicle, and classifications, regulations, and practices relating thereto, the Commission shall give due consideration, among other factors, to the inherent advantages of transportation by such carriers; to the effect of rates upon movement of traffic by the carrier or carriers for which rates are prescribed; to the need in the public interest of adequate and efficient transportation service by such carriers at the lowest cost consistent with the furnishing of such service; and to the need of revenues sufficient to enable such carriers under honest, economical, and efficient management to provide such service.

(i) Nothing in this section shall be held to extinguish any remedy or right of action not inconsistent herewith. This section shall be in addition to other provisions of this Chapter which relate to public utilities generally, except that in cases of conflict between such other provisions and this section, this section shall prevail for motor carriers.
